Jessenia Gonzalez # 13499	Looking to add 3-4 polled cows/heifers ranging in age from 15 months old to 3 years of age, to our 28 acre farm. They must be ADCA registered, polled and Non-Carrier of Chondro. We would prefer A2 genetics but no deal breaker. We would welcome any of the three colors. We have just purchased a registered 9 month old bull "L Metal Guzman." It would be great to also find a Dexter steer (7- 12 mo of age,) to feed out and keep our bull company. We would need delivery or transport. Please email me with information on available stock.	Now	TBD	Sealy, Texas (West of Houston)	Jessenia_e_g@hotmail.com
